CEUs

- If you have already taken one or more NASUAD courses that now offer CEUs and would like to receive Social Work CEUs, you must retake and pass each course quiz and complete the Evaluation and payment as laid out in these instructions.
- The National Association of Social Workers (NASW) has approved the CEUs for the online trainings. However, State licensure boards have final authority on the acceptance of individual courses, so participants should check if they are unsure whether the CEUs will be accepted by their state's social work licensure board.
