

Curtis Cunningham **President**

Curtis Cunningham is the Assistant Administrator of Long Term Care Benefits and Programs in the Division of Medicaid Services where he is responsible for the provision of long-term supports and services for the elderly and people with disabilities. Curtis administers and oversees the Family Care managed care program, IRIS self-directed long-term care program, several community-based Medicaid waiver programs, and support services for children with disabilities.

Curtis has worked in Medicaid policy, finance, and eligibility for more than 15 years. Before stepping into his current role, he served as the Deputy Administrator and Interim Administrator for the Division of Long Term Care. Prior to holding positions in the Administrator's Office, Curtis served as the Chief Financial Officer for long-term care and Medicaid where he oversaw the establishment of hospital rates and policies, SSI managed care capitation rates, and budget monitoring of the Medicaid program.

Before working with the Wisconsin Medicaid program, Curtis worked in the Illinois Governor's Budget Office where he oversaw the budgets of the Department of Natural Resources and the Environmental Protection Agency. He also spent a year teaching sciences in the Philippines.

Curtis attended Aarhus University in Denmark and Bradley University in Peoria, Ill. He holds a B.S. in Biology and Environmental Policy. He currently resides in Monona, WI., with his wife, Theresa, and their three children.
