

Elaine Sawyer **Policy Associate**

Elaine Sawyer is a Policy Associate at Advancing States (formerly NASUAD). In her role, Ms. Sawyer is responsible for researching and compiling state actions for Advancing States' monthly State Medicaid Integration Tracker, supporting states in redesigning their home and community-based services waiver delivery systems, and analyzing and disseminating survey results from state inquiries. Ms. Sawyer also provides program support for the MLTSS Institute and the Friday Update weekly newsletter.

Prior to Advancing States, Ms. Sawyer worked on women's financial education and security at the Women's Institute for a Secure Retirement (WISER) and interned with the Administration on Aging where she focused on grant management with the Office of Elder Justice and Adult Protective Services. Ms. Sawyer received a Masters of Social Work from Catholic University and holds a B.S. in Psychology and gerontology certificate from Santa Clara University.
