No Wrong Door?

- Youth and families eligible for lots of services and supports, but POVERTY can get in the way:
  - Living day to day makes it difficult to jump through all the required hoops to access needed services
  - Training/services are not always user friendly, and do not always account for hardships of poverty:
    - Trauma
    - Basic Needs
    - Ambivalence
    - Training structure (theory vs. hands on/practical instruction)
    - Truly meeting youth/family where they are at

- **Recommendations for Future Action**
  - Focus on matching interests, skills, abilities with workforce needs of local businesses
  - Implement Best Practice learned through PROMISE service delivery
  - **Family Support** – Work across agencies to ensure the family members of youth with SSI have the support needed to navigate services and systems and information on post-school possibilities
**COMPETITIVE INTEGRATED EMPLOYMENT**

**WISCONSIN ACT 178 BACKGROUND**

- Signed into law March 28, 2018
  - Assembly Bill 625 Employment First Initiative
  - Requires interagency collaboration to increase Competitive Integrated Employment (CIE)
- In response to 2017 Wisconsin Act 178, DVR, DHS, and DPI have reaffirmed their commitment to work together to improve the lives of youth and adults with disabilities in Wisconsin by increasing CIE outcomes through the implementation of the CIE Plan
WISCONSIN ACT 178 REQUIREMENTS

• Prioritize the competitive integrated employment (CIE) of people with disabilities
• Promote CIE with self-determination and informed choice
• With input from stakeholders, develop, implement, and update a shared plan biennially which includes specific targets
• Provide a report to the legislature annually detailing progress toward targets
• https://dwd.wisconsin.gov/dvr/cie/
PERFORMANCE IMPROVEMENT
OBJECTIVE #1

Increase awareness that work is possible for people with disabilities by promoting CIE opportunities.
PERFORMANCE IMPROVEMENT
OBJECTIVE #1 STRATEGY HIGHLIGHTS

• Track ongoing outreach to transition-aged students and their guardians, including youth receiving SSI, and document in the annual CIE report

• Develop a joint messaging campaign by December 2019 for children and their families to promote and raise expectations for CIE

• Develop collaborative materials that explain the value of CIE and clarify misconceptions about working and loss of benefits

• Think Possible! Employment Webinar Series
  • https://www.dhs.wisconsin.gov/children/think-possible.htm
PERFORMANCE IMPROVEMENT
OBJECTIVE #1 STRATEGY HIGHLIGHTS
(CONTINUED)

• Collaborate to implement the Pay for Performance Initiative for members and participants enrolled in adult long-term care programs to increase rates of CIE

• Create efficiencies within the DVR referral system to streamline referrals of potential consumers to DVR in collaboration with DHS and train staff from both DHS and DVR on the updated DVR referral system

• Add mechanism for youth, adult, and family voice and input into CIE planning to ensure outreach materials are consumer friendly and service systems are consumer driven
PERFORMANCE IMPROVEMENT
OBJECTIVE #2

Align service delivery systems and strengthen coordination to increase CIE opportunities for people with disabilities
PERFORMANCE IMPROVEMENT
OBJECTIVE #2 STRATEGY HIGHLIGHTS

• Develop a system to collect and analyze common participant data to be completed by the end of 2019
• Set statewide benchmarks and evaluate progress
• Identify and use promising evidence-based employment practices for systems change and collaboration in partner service delivery systems
Keep memorandums of understanding (MOUs) and interagency agreements updated and implement activities included within those agreements.

- Interagency Agreement:

- Transition Action Guide (TAG):
  - Develop and document a clear delineation of state and local agency roles and responsibilities in planning services and coordination targeted toward helping individuals and their families better understand state systems.
  - Continue to assign staff from each Department to the CIE Workgroup and CIE Leadership meetings.
Prepare students for CIE through their educational experience, connecting them to vital services during and after high school
PERFORMANCE IMPROVEMENT
OBJECTIVE #3 STRATEGY HIGHLIGHTS

• Develop and carry out a strong plan for professional, cross-agency development that includes both in-person training and technical assistance, including online resources
  o Joint trainings to address provider capacity and best practices
  o DVR-led Service Provider Capacity Workgroup
• Showcase schools and programs that are effective in connecting students to early work experiences through local school districts and DVR
Develop and share resources that inform stakeholders such as ADRCs, long-term support professionals, DVR counselors, and educators about community services and supports available to the students they serve during and after high school.

- Post the plan and report on the shared CIE website: https://dwd.wisconsin.gov/dvr/cie/

Youth with Promise

• You could call him the strong, silent type. Matthew is a teen from Wisconsin’s Northwoods who is pumped about getting even stronger. He’s set his sights on working, and with the support of Wisconsin Promise and others, he succeeded in his first job of maintaining his high school’s weight room. Next he got a job keeping CrossFit Chippewa Falls in tip-top shape.

• Matthew connected his interest in getting healthy and fit with his job goals, and there’s no stopping him. Matthew is a youth with Promise, building muscle while working, learning, and pursuing his dreams.
