- ¹ Percent Change was not calculated if the expenditures in a previous year were zero or a negative number.
- ² ACRG = Annual Compound Rate of Growth since FY 2004 or the waiver's first year, whichever is earlier. ACRG was not calculated for waivers with no reported FY 2009 expenditures.
- ³ Maryland did not report waiver-specific expenditures for one quarter in FY 2005. State data for these waivers for 2005 are available in "HCBS Waiver Expenditures: FY 2000 - 2005" at www.hcbs.org.
- ⁴ These waivers were effective in FFY 2009, but the CMS 64 reports indicated no expenditures. For the following waivers, we received data for estimated expenditures. For other waivers, data are not available:
- Massachusetts - Waiver 40207 (state data for FFY 2009): \$1,679,684
 - Texas - Waiver 0374 (2008 CMS 372): \$2,498,104
 - Wisconsin - Combined total for Waivers 0367 and 0368 (state data for CY 2008): \$337,076,534
- ⁵ Alabama and Louisiana each reported a significant portion of FY2006 HCBS waiver expenditures under an 1115 waiver for Hurricane Katrina evacuees. These expenditures are included in the state total, but spending for individual waivers was not reported.
- ⁶ The CMS 64 data do not accurately reflect Connecticut ID waiver expenditures during FFY 2009.
- ⁷ Reported FFY 2009 expenditures for California's waiver for people with developmental disabilities (number 0336) will likely increase. Reported spending in most previous years increased \$200 - \$300 million after data were first released because of prior period adjustments.
- ⁸ Reported FFY 2009 expenditures for most of Illinois' waivers will increase when prior period adjustments are included.
- ⁹ Before 2008, Ohio reported expenditures for waivers 0383 and 0440 under waiver 0337.
- ¹⁰ Rhode Island terminated all 1915(c) waivers during FFY 2009 and provides HCBS under an 1115 waiver.
- ¹¹ Vermont terminated all 1915(c) waivers starting FFY 2006 and provides HCBS under an 1115 waiver.
- ¹² The CMS 64 data in 2003 - 2004 for Arkansas' waivers for children were incorrect. State data for 2003 are available in the "HCBS Waiver Expenditures: FY 1998 - 2003" report at www.hcbs.org.
