<sup>2</sup> CMS provided two potential Medicare-Medicaid financial alignment models: 1. Capitated model where the state & CMS would enter into a 3 way contract with a health plan to provide coordinated care; and 2. Managed Fee-for-Service where the state would share in any savings as a result of an initiative designed to reduce costs. On chart, models are listed as Capitated, FFS (Fee for Service) or both.

<sup>3</sup> Under CMS's Transparency regulation, they will post any of the proposed plans on their website for 30 days. (see <http://www.cms.gov/apps/media/press/factsheet.asp?Counter=4284>). If the 30 day comment period is still open, this column will indicate the date the 30 day period began. Otherwise, it will indicate the comment period is "CLOSED."

<sup>4</sup> For states doing a phased approach, the implementation date listed is for the earliest phase.
