

REGULATIONS PURSUANT TO TITLE II OF THE AFFORDABLE CARE ACT

Summaries of key initiatives in The Patient Protection and Affordable Care Act requiring mandatory or discretionary rulemaking by a federal agency to implement the legislation

INITIATIVE	REGULATORY PROVISION	AGENCY	STATUS	DEADLINE
Removal of Barriers to Providing Home and Community Based Services (HR 3590, Sec. 2402)	The Secretary must develop regulations to ensure that all states develop service systems that are designed to be responsive, to maximize independence, to provide support and improve coordination.	DHHS	Mandatory	
Health Acquired Conditions (HR 3590, Sec. 2702)	The Secretary must identify the state practices applicable to the program that prohibit payment for health care acquired conditions, and for promulgating regulations prohibiting payments to states for expenditures on these health care acquired conditions, once they are identified.	DHHS	Mandatory
