

YEAR IN REVIEW

2025

OUR 2025 SUCCESES

While the year brought many unique challenges, ADvancing States successfully rolled out many new projects to support our members.

- **Direct Care Careers** launched in PA
- **Enabling Technology Engagement Network** had a launch of network meetings and an exhibit hall at HCBS Conference
- **NCI-AD and SOTW** saw increased participation
- The **UNC HCBS Certificate** program began with its pilot cohort
- The **I&R/A Support Center** hosted and supported webinars, trainings, and certifications for the consumer access workforce
- ADvancing States' **MIPPA** team worked with NCOA to increase awareness of Medicare low-income subsidies
- ADvancing States' **SHIP** team participated in a workgroup on difficult interactions and hosted a webinar on SHIP awareness
- ADvancing States partnered with **USAgging** to promote innovation in caregiver supports and navigation services
- The **Next Gen program** promoted mentorship and networking for another group of up and coming professionals

The years ahead will demand even greater adaptability—but they will also offer new opportunities to build systems that are more responsive and centered on the dignity and preferences of every person they serve.

- **Martha Roherty, Executive Director**

OUR MEMBERS
