Board Bio

Jakenna Lebsock
Vice President

Jakenna Lebsock currently serves in Arizona Medicaid over the Arizona Long Term Care System (ALTCS), including Arizona's Managed Long Term Services and Supports (MLTSS) contracts for aging populations as well as those diagnosed with physical disabilities and intellectual/ developmental disabilities. Jakenna's areas of focus include ALTCS program and policy implementation and oversight, case management, employment, workforce development, social determinants of health, PASRR, non-licensed provider monitoring, and Medicare compliance.

Jakenna has over 20 years of industry experience, all of which includes various aspects of LTSS work at both a managed care organization as well as the State Medicaid Agency. Jakenna's background is strongly steeped in quality management/performance improvement and includes comprehensive efforts in policy development, monitoring/ oversight, stakeholder engagement, and program development/implementation. Jakenna's passion is developing and supporting a continuum of care that celebrates life at each juncture through self-determination, innovative supports, and community engagement.

Jakenna holds a master's degree in public administration with a focus on State/Local Government and Nonprofit Management from the University of Arizona as well as dual bachelor's degrees in marketing and business management from Johnson & Wales University.
